

CAP Endowment

GIVE TODAY, FOR A *THRIVING* TOMORROW

Knowing that poverty is complex and its contributing factors vary, Community Action Partnership of Lancaster County has worked in recent years to develop innovative initiatives that are both person-centered and connected to augment our many long-standing and successful anti-poverty programs.

People. Empowered.

CAP recognizes the inherent potential and strength within each individual we serve, and we provide a continuum of programming for individuals and families in the Lancaster community from birth to advanced age.

Our programming spans four impact areas, including Education, Health and Nutrition, Household Stability, and Safety & Empowerment, to reach more than 40,000 individuals living with low income every year in Lancaster County.

We meet individuals and families exactly where they are on their prosperity journey, and walk alongside them in meeting their essential daily needs and in moving

toward the thriving future they envision.

By giving to CAP's endowment, you are ensuring this important work continues in perpetuity through your legacy of generosity.

Make Your Endowment Gift Today!

CAP donors can use a variety of methods to make contributions to the endowment fund.

Gifts of all sizes and in many forms are welcome including:

➤ **Cash:** Cash gifts qualify as a charitable deduction for federal income tax purposes.

➤ **Bequests and Estate Gift:** Through your will, you can designate CAP as a beneficiary of a portion of your estate, a portion of a retirement account, or as the recipient of a charitable remainder trust.

➤ **Life Insurance:** You can purchase new insurance in the name of the CAP Endowment Fund or designate the Endowment Fund as a full or partial beneficiary of an existing life insurance policy.

MISSION

We advance prosperity throughout Lancaster by activating community, mobilizing resources and amplifying partnership to ensure everyone thrives

VISION

We envision a community that is equitable, just, and prosperous for everyone
