CABARET OVERVIEW

Step inside Crispus Attucks Cabaret for an intimate evening of dining, dancing, and enjoying the delights of camaraderie among friends old and new. We'll set the mood with a live band and saxophonist, and you'll bring your favorite meals and beverages (adult and otherwise) to share with your table and neighbors who may be curious about your flavors. It's giving potluck draped in the cool mystique of a jazz club, and we cannot wait to see you there.
